# SUMMER 2014 EQUESTRIAN DAY CAMP

*Now in its 49th year, Ponca Hills Farm Equestrian Day Camp offers young riders an unforgettable experience with horses and horse-loving friends!*

## Live your Dream. Learn to Ride.

Our goal is to have your child riding independently by the end of a 3-week session. Campers take **daily riding lessons beginning on the lead line.** They'll learn how to lead, groom and tack their horse or pony with confidence, and develop the habits of safe horsemanship.

## Meet Your New Best Friend!

We're very proud of our **school horses** at Ponca Hills Farm. These well-mannered, gentle

teachers will inspire your child's confidence and impart life-long skills. Each camper is carefully paired with a horse appropriate to her level of experience, age and size.

## What You'll Need to Bring

In the interest of safety, all campers must wear **hard sole shoes with a low heel, pants with long legs, and a shirt tucked in with a belt. Hard hats are required** and can be purchased at your local tack store. Please provide a **bag lunch each day** (beverages will be served).

## Camper Fees

The cost is \$350 per child for each 3-week session. Fee includes daily riding lesson, use of a horse or pony and tack, a Horse Show, Family Picnic and ribbons.

## Who is Eligible?

Girls and boys ages 8-16 are welcome. Beginning to

experienced riders will learn at their current level.
