A Short Drive That's Worlds Away.

Ponca Hills Farm's serene 300+ acres sit at one of the highest elevations in Douglas County. Our rolling hills, wooded trails and panoramic valley views are carefully maintained as part of the Nebraska Conservation Project. Campers will experience this natural setting from what we think is the greatest vantage point of all -- on horseback.

SUMMER 2018 EQUESTRIAN DAY CAMP

Now celebrating over 50 years, Ponca Hills Farm offers campers an unforgettable experience with horses!

Live your Dream. Learn to Ride.

Our goal is to have your child riding independently by the end of a **3-week session**. Campers take **daily English riding lessons** beginning on the lead line. They'll learn how to lead, groom and tack their horse or pony, and develop **safe horsemanship skills**. Riding, like ballet or learning a musical instrument, *requires sustained repetition* to make progress. This is why, even with today's busy schedules, our sessions run for three consecutive weeks -- we want the learning to last!

Meet Your New Best Friend!

We're very proud of our **school horses** at Ponca Hills Farm. These well-mannered, gentle teachers will inspire your child's **confidence** and impart life-long lessons such as **responsibility, caring, empathy and cooperation**. The hardest part about camp is saying "farewell" to your horse on the last day!

Right: A camper's pony braided with flowers for the closing family horse show!

What You'll Need to Bring

All campers must wear

- **Hard-soled shoes with a low heel**
- **Pants with long legs**
- **A shirt tucked in with a belt**
- **Hard hats are required** and can be purchased at your local tack store.
- **Please send your child with a bag lunch each day** (beverages are provided).

Camp Fees

The cost per **3-week Session is \$450**. Reserve your preferred session dates by sending your registration and signed release with a **non-refundable \$100 deposit by April 30th**. You will receive confirmation of your registration by May 15. If a session is full, your deposit will be returned, and you can opt to be placed on a waiting list. **Balance is due on your child's first day of camp.**

Who is Eligible?

Girls and boys ages 8-16 are welcome, from beginners to experienced riders. If your child has special challenges, we will do our best to accommodate him or her. Please call us to discuss your needs.
